

# Small Potatoes Gleaning Project

A project of the Bellingham Food Bank—[glean@bellinghamfoodbank.org](mailto:glean@bellinghamfoodbank.org)

**Do you or someone you know have excess fruits and vegetables?** The Small Potatoes Gleaning Project would love to hear about it ! Each year, Small Potatoes works with Whatcom County homeowners, farmers and farmers markets to harvest over 140,000 pounds of fresh produce. We work with 27 food banks and emergency food programs in Whatcom County to make sure that this produce goes to hungry people in your community.

**Here's how it works:** You can out this form and mail it to us or call Small Potatoes at 360-739-5274. We will contact you to have a brief conversation and possibly schedule a quick visit to find out more details about your location and the produce . We'll organize a group of local volunteers to glean at a time that fits your schedule. They can even leave some for you! We'll then transport the produce directly to the people who need it.

Name \_\_\_\_\_ Is this your produce? \_\_\_\_\_.

Address of produce to be gleaned \_\_\_\_\_.

Mailing Address, if different \_\_\_\_\_.

Email \_\_\_\_\_ Phone No. \_\_\_\_\_.

Any special driving directions \_\_\_\_\_.

Where should we park? \_\_\_\_\_.

Convenient time for picking \_\_\_\_\_ Would you like to be present ? Yes \_\_\_ No \_\_\_

Anything other important info \_\_\_\_\_.

Special harvesting or site instructions \_\_\_\_\_.

Are ladders needed? \_\_\_\_\_ Any other equipment required? \_\_\_\_\_.

## PRODUCE INVENTORY

**Type of Produce** \_\_\_\_\_ **Number of Tree(s)** \_\_\_\_\_ **When ripe? (approx.)** \_\_\_\_\_ **Pests/Worms?** \_\_\_\_\_.

Estimate quantity in pounds (hint: 1 banana box of apples is 40 lbs.) \_\_\_\_\_ **Volunteers needed for two hours of picking** \_\_\_\_\_.
